Mrs. Mary Burris, aged 68, wife of Thomas Burris, died Thursday, Oct. 1, at the home of Mrs. Nan Mastin at Waltersville. Burial at Powell's Valley Saturday. She leaves several children, all mar-

ried besides her husband to mourn her loss.

#### Stray Calf.

Male calf found on my place Aug. 12. Calf has slight signs of Jersey with white spots in forehead and between front legs, about three months old. Owner can have same by proving property and paying charges. Jas. H. Crow, Spout Spring, Ky.

Don't forget the meeting of the Clay City Democratic Club Friday night.

#### Council Meeting.

The City Council met in regular session Friday night with the Mayor and Councilmen Mountz, Warmouth, Edge and Roso present.

The Teachers' salaries, officers' salaries, and a few sundry bills were allowed.

The resignation of Councilman Newkirk was accepted and F. P. Tracy was elected to fill the unexpired term of Mr. Newkirk.

The affairs of the city school were discussed at length.

The two saloons now doing business in the city were granted a renewal of license for another year dating from Nov. 4, 1908 the time the present license expires. There were serious objections to granting the license just now and a plea for the council to adjourn until Nov. 3, and give the Court of Appeals further time to give out their decision on the local option contest case. Every councilman, however, voted for license except Mr. Mountz.

#### Estill Centennial.

The Centennial at Irvine last Thursday was attended by possibly 10,000 people. The exercises were very appropriate and interesting. The leading speech of the day was delivered by Major C. F. Burnam, a former member of the Irvine bar.

There was a large number of former Estill citizens present and all seemed delighted to be at home once more.

There was not a single disturbance that we saw to mar the pleasure of any individual which proves the glorious result of local option.

Irvine has improved wonderfully since we left the county seven years ago. The beautiful new concrete walks along the wide and spacious streets improve greatly the general appearance of the town. A number of new brick business houses and handsome frame dwellings have recently been built in the old capital, and business has been so revived that Irvine of ten years ago and Irvine of today is not the same town.

#### Rash-Key.

In the Methodist Church at Mayfield, Ky., Oct. 7, Mr. James Crews Rash, of this city, and Miss Teddie Key, of Mayfield, were united in marriage. Mr. Rash will shortly bring his wife to Clay City where they will reside.

The groom is the efficient general manager the Broadhead Garrett Lumber Co., of this city, and is a young man of rare business qualities. He is regarded here by all who know him as a model young man. The bride is a beautiful and accomplished young lady, of whom Mr. Rash justly feels proud.

The Times joins a host of friends in extending congratulations and best wishes to the happy young couple.

Captain J. W. Jones, of Union Hall, one of the few surviving veterans of the Mexican War, is in the city today. He will leave this afternoon for a visit to relatives at Louisa.

Dr. S. P. Hammons, dentist, will be in Clay City two weeks only to practice his profession. All work guaranteed.

Robt. R. Friend, the Democratic candidate for Presidential Elector from this district, will visit the Democratic Club Friday night and deliver an address. A full house should hear Mr. Friend, as he is a brilliant young speaker and thoroughly posted on current issues. Be sure and come out.

Miss Nannie Barbee, of Danville, Ky., an impersonator of National fame will give an entertainment at the Christian church Oct. 20th for the benefit of the Highland Orphanage. "In the Old Plantation Stories," will be an entertainment worthy the appearance of every resident of Clay City. Come out.

The Rev. Robt. N. Bush the new pastor of the Methodist church delivered his first sermons here Sunday and Sunday night. The congregation is very favorably impressed with their new minister, and a progressing year in the church work with Bro. Bush at its head is hoped for by the members of the flock.

Remember that C. W. Metcalf and J. Smith Hays, two leading campaigners of the State will speak here next Wednesday at one o'clock. John M. Waugh, another leading speaker will also address the voters of this city on Oct. 20 at one p. m.

#### Value of Advertising.

Many great business men will admit that they owe much of their success to advertising, but it is rather unusual for a great firm to come out boldly and bid for trade on the ground of its wide-spread advertising. In a special midsummer letter

to their trade, however, the great Chicago shoe firm of Selz does exactly this.

"We do even more than give and guarantee satisfaction," says the "largest maker of good shoes in the world." "We have for years been conducting a great national advertising campaign to hammer the idea of the bitterness of Selz shoes into the public mind.

"We have spent millions of dollars in advertising in the thirty-seven years we have been in business, and we know the money has been so well spent that we are putting \$150,000 as the minimum figure for our 1908 fall campaign alone.

"Shoe quality, guarantee of wearer's satisfaction, national advertising—these three things are inseparable factors in our success. Without the right goods we couldn't have made good for a long time, but without the advertising we couldn't have made good in a long time, if at all.

"We have backed goods of enduring merit by an enormous and unceasing advertising campaign; that's why more Selz shoes are sold than any other line of good shoes in the world; the advertising is largely responsible."

The Chicago manufacturers are so enthusiastic over advertising that they even make the statement to their dealers that "if you want to do some effective advertising this fall, call on us, and we'll go on the limit."

Any thing you want can be bought by mail. Try the Lexington Purchasing Agency for your shopping. Best of References. For particulars address, Lexington Purchasing Agency, Box 56, Lexington, Ky.

If you need any kind of first-class dental work, see Dr. Hammons in Clay City for two weeks only.

### Why Federal Legislation Fails.

One of the great reasons for the failure of the Federal government to enact laws against the liquor traffic is due to the fact that a very large part of the entire receipts of the United States government comes from the liquor traffic.

The internal revenue tax on liquors was first proposed as a war measure, but it has finally come to be one of the greatest sources of revenue for the Federal government, second only to the United States custom receipts. The total receipts of the government from all sources for last year was \$846,725,340. Of this amount the postal receipts were \$183,585,006. The customs receipts were \$332,233,303 and the internal revenue receipts were \$269,664,023.

The total internal revenue receipts on all articles except intoxicating liquors amounted to \$53,759,303, leaving a total of \$215,904,720 on intoxicating liquors alone. Thus it will be seen that more than one-fourth of all the receipts of the United States government come from the tax on intoxicating liquors.

If it were not for this \$215,904,720 which comes into the United States treasury every year from the tax on liquors, it would not be difficult to secure proper anti-liquor legislation in Congress. There are, of course, those among the members of Congress who would vote with the liquor interests in all events, but the one powerful weapon which the brewers and liquor dealers have thus far used with such telling force on the members of Congress, through the medium of the

Speaker of the House and certain henchmen, has been the fact that 25 per cent. of all the revenue of the United States comes from the production and sale of intoxicating liquors.

At Pittsburg last October for one month only the net earnings of the United States Steel corporation was \$17,052,211. During this same month there were thousands suffering in this same city for the want of food and raiment, and later the city was forced to issue \$200,000 in bonds to furnish labor to keep the poor of Pittsburg from starving to death. That is under Republican rule.

Is it right fair reader for the man who does the work and produces all wealth to starve while the man who wears the kid gloves and rides in a \$2,000 automobile draws millions annually in profits for the labor of the poor. Bryan and the Democratic party says it is not right while Taft and the Republican party says yes it is just and right for some men to be slaves that the rich may be made richer for the sake of the nation's aggregate wealth.

Twelve years ago the laboring man went into partnership with the Republican party monopolists and continued contentedly with a full dinner pail for the workingman's share while the monopolists took the millions and billions profits. The workingman toiled hard and was well pleased, however, until the governors say these working scoundrels are getting too saucy let's cut short the pail and take it away from them altogether if needs be to completely enslave them. A vote for Taft and Langley means the completion of the awful job. Will you vote for them?

We are indeed glad to hear the encouraging reports that come from the 23rd Judicial district. From what we can learn every Democrat in the district is in line, everything is harmonious from one end of the district to the other, and our friend the Hon. J. B. White will be elected Circuit Judge by a good majority. We learn that many Republicans recognizing Judge White's superior ability for the place will vote for him, while it is believed there will not be a Democrat in the district but what will vote for White.

In 1896 as we were ebbing away from the panic of 1893 caused by antecedent Republican administrations, that party said we have enough money but confidence must be restored before prosperity will come again. They were put in power on this plea but where is confidence today? There is double the amount of money in the country, but where is it? You don't see any more circulating. It has gone into the hands of Republican trusts. Does that help you or any one you know?

If it is right for you to work all day and earn \$10.00 your boss take \$9.00 of this money and give you a bare living part of the time and then nothing at the last, the Republican party is right if not, the Republican party is radically wrong. That's its principles. Vote for Bryan for President and Davis for Congress.

Vote for Honest Judge Amos Davis for Congress.

If you borrow a dollar from a bank you must give security for payment of this dollar. That's right. If you loan the bank a dollar don't you think the bank should give you security too? If the Democrats are elected they are pledged in their platform to and will pass a law requiring all banks to provide the government with good security for every dollar deposited in banks, and further providing for the payment in full all depositor's money within twenty-four hours after any bank may be closed.

Only 26 days until the election. Democrats, do your duty and Bryan and Davis are winners.

The Republican Congress knew last winter that the Democrats would go in next year, that is the reason why they allowed expenditures to run over a billion dollars while the total receipts from all sources last year was but eight hundred millions.

### Where Bullets Flew.

David Parker, of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg, says: "The good Electric Bitters have done me more than five hundred dollars to me. I spent much money doctoring for a bad case of stomach trouble, to little purpose. I then tried Electric Bitters, and they cured me. I now take them as a tonic, and they keep me strong and well." 50c. at all druggists.

The severe drouth continues unbroken with stock water very scarce in many parts.

### Would Mortgage the Farm.

A farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name says: "Bucklen's Arnica Salve cured the two worst sores I ever saw; one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c. at all drug stores.

The Highland Orphanage is very thankful to the Clay City people for numerous gifts during the past month, among them being \$25.00 cash in smaller amounts; one dining table by Swann-Day Lumber Company; lot of dress goods by Mrs. Luther Loving and Mrs. A. T. Whitt; pillow cases by Mrs. W. T. Adams.

### Had a Close Call.

Mrs. Ada L. Croom, the widely known proprietor of the Croom Hotel, Vaughn, Miss., says: "For several months I suffered with a severe cough, and consumption seemed to have its grip on me, when a friend recommended Dr. King's New Discovery. I began taking it, and three bottles affected a complete cure." The fame of this life saving cough and cold remedy, and lung and throat healer is world wide. Sold by all druggists. 50c. and \$1.00. Trial bottle free.

The Clay City National Bank has another one of its fine statements in this issue. The panic may cut down the business of other banks, but it has nothing to do with the safety of the Clay City National Bank. It is always solid and worthy of any business entrusted to it.

### Easy to Mix This.

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, which is said to be a positive remedy for backache or kidney or bladder derangement, if taken before the stage of Bright's disease.

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

A well-known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it would not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

It is owned by the Society of Soul Winners, and supported by good people every where. Orphan girls between the ages of five and thirteen, will be received, if eligible. We hope to take the boys later. Before they are sent, we want to know the name, age, health, character, etc., etc. Only those who have neither father or mother will be received at present. We request all those who have any such children to write to Dr. Edward O. Guerrant, Wilmore, Ky. Also will thank all ministers and county officers to give information as to any such children. # Remarkable Story

The story of Mrs. Matilda Warwick, of Kokomo, Ind., as told below, proves the curative properties of that well-known female remedy, Wine of Cardui. Mrs. Warwick says:

# TAKE CARDUI

It Will Help You

"I suffered from pains in my head, shoulders, limbs, side, stomach low down, dizziness, chills, nervousness, fainting spells and other female troubles. I was almost dead. Three doctors did not help me. At last, I took Cardui, and with the first bottle obtained relief. Now I am cured. But for Cardui, I would have been dead." Try Cardui.

**Hygeno DIP AND DISINFECTANT**  
THRIFTY LIVE STOCK

The all important question with the farmer and live stock raiser is how to protect the most valuable part of his property with the smallest expense. The only answer is, prevent disease rather than try to cure it. Hygeno—dip and disinfectant is a powerful germicide and positive insecticide. Used occasionally as a dip and spray it will keep the livestock in a healthy and lively condition. Hygeno costs less than one cent a gallon when diluted and we can positively say it will cost you more if you do not use Hygeno than it will if you do. If your dealer cannot supply you with Hygeno, send us his name and we will take care of you and mail our Health Book and free sample.

## LETTERS FROM USERS OF THE

# Syracuse "EASY" Washer

"Your machine is a complete success. I learned more about washing out of your little booklet than I ever would have from all the women you could stand in a row. I have been paying \$1.25 a week for washing when I can do the same in two hours with the 'EASY'."

"We have tried the 'EASY' and find it just as you represent it and the only washer I ever saw that does the washing clean without rubbing on the board. It is easy to work and does the washing thoroughly. It certainly has no equal."

E. E. LIGGETT, R. D. 1, Box 4, Avella, Pa.

Make the washing easy for one-twelfth of the year at our expense. Wash everything washable in the house. If you cannot make the "EASY" earn its price during the house-cleaning season return it at our expense.

Pages 26-27 of our free book on Washing Formulas give you valuable information on washing fannels.

# THIS GLORIOUS GOLDEN CLOCK FREE

for a few minutes of your time. No one who has a home to live in can afford to miss this truly

## GOLDEN OPPORTUNITY

To secure FREE of charge a Clock, the most important thing in the home. And such a Clock, too! BEAUTIFUL GOLD AND GUARANTEED FOR TEN YEARS.

READ EVERY WORD OF THIS GREAT OFFER

To get this beautiful Clock FREE is the simplest thing in the world. All you have to do is write me a postal card and say you want to get it. I will then send you by mail, prepaid, a carefully wrapped package of handsome portraits of George Washington, and ask you to show them to your neighbors.

These portraits are copies of the best known painting of the first President of the United States, and are different from and handsomer than any picture of the kind you ever saw.

This is just the picture for the dining-room or sitting room, and, because the very name George Washington strengthens the love of home and country in old and young alike, everybody will want one of them and will be glad to pay for it on the liberal proposition I will authorize you to make. You only have to collect \$5 in this way to make this Glorious Clock yours forever.

## TWO BEAUTIFUL EXTRA GIFTS

In addition to the Clock I have two other lovely presents which I will give you—two more handsome ornaments which anyone who loves a pretty home will be delighted with. One of these gifts I will send to you FREE and PREPAID as soon as I receive the postal card with your name on it. The other one I will give to you just for being prompt in following my instructions. I will tell you all about the second extra gift, when I send the first one, which I will do as soon as I hear from you, so HURRY UP.

YOU TAKE NO CHANCES in writing to me, because, if the Clock does not prove to be even better than I have described it, and if it does not delight you in every way, you may send it back and I will pay you handsomely in cash for your trouble. Also, if you get sick or for any other reason fail to collect all of the \$5, I will pay you well for what you do. So you see, YOU CAN'T LOSE, so sit right down and write to me as follows: "D. R. OSBORNE, Manager, Nashville, Tenn. Please send me the portraits of George Washington and complete outfit for earning the Glorious Golden Clock, with the understanding that this does not bind me to pay you one cent." Then put your name and address,
